Country Pricing

Bulkgood Shipping Extension · </bulkgood/features/country-pricing>

Configure different bulkgood shipping rates per destination country.

Overview

Table rates support country-specific pricing, allowing different bulkgood rates based on shipping destination.

Configuration

Table Rate CSV Format

```
Country,Region,Zip,Condition,Price,Bulkgood
DE,*,*,package_weight,10.00,1
AT,*,*,package_weight,15.00,1
CH,*,*,package_weight,25.00,1
```

Fields

Field	Description
Country	ISO country code (DE, AT, US, etc.)
Region	State/region code or * for all
Zip	Postal code pattern or * for all
Condition	Weight, price, or item count
Price	Shipping price
Bulkgood	1 = bulkgood item, 0 = standard

Zone-Based Pricing

Group countries into shipping zones:

Zone	Countries	Rate
Zone 1	DE, AT	\$10/pallet
Zone 2	FR, NL, BE	\$15/pallet
Zone 3	ES, IT, PL	\$25/pallet
